

Memorization

Tips and Tricks

Repetition is key!

- NOTHING replaces repetition as an actor.
- Use every available moment
- Repeat ALL lines

Practice perfectly

- Pay attention
- Study
- Research unknown words
- Check pronunciation

Break it up

- Smaller sections
- Build on one another
- Beginning, middle and end

Sequential memorization

- Beginning to end
- End to beginning
- Don't mix the parts up

Write lines down

- Writing helps your memory
- Write it exactly
 - Grammar too!
 - Commas=short pause
 - Period=longer pause
 - Ellipses (...)=hesitation, longest pause
- Analyze and Explore

Move!

- Don't just sit
- Walk around
 - Pace back and forth
 - Walk in a circle
 - Follow along walls
 - Create your own path
